PRACTICE NOTE

Criminal hearing lists for the week commencing 13 December 2010

Please note that the criminal hearing lists for the week beginning 13 December 2010 will be run as a partial running list. Twenty hours of cases will be allocated to each criminal hearing list that week. If any matter on the Monday to the Thursday of that week is not reached on the date the hearing is listed, or is not completed on that date, the matter will continue on the next day.

Parties to proceedings in criminal lists in that week and their legal representatives will need to be aware of the fact that they may be required to be available not only on the date the matter is listed for hearing, but on any later date that week. Witnesses will also have to be available for those times.
