

**MAGISTRATES COURT  
OF THE AUSTRALIAN CAPITAL TERRITORY**

**NOTICE TO PRACTITIONERS**

**Listing Practices for Criminal, Family Violence and Civil Hearings**

Effective immediately the ACT Magistrates Court will commence over-listing practices for hearings for criminal, family violence and civil matters.

All civil hearing days will be over-listed with two hearings for each full day of hearing listed. If a matter is not reached on the hearing date, it will be given priority for allocation on the next occasion.

Where a criminal or family violence hearing is listed for a full day, each day will be over-listed with another full day hearing. Short matters (less than one day of hearing) will be allocated in a list of 12 hours of hearing for each day.
